

Signature

Reimagining the simple office desk as an object of refined sophistication, Signature is executive design at the top of its game. The desk pairs a smooth glass surface with angular, cubic cabinets in a display of contrasts that will make Signature the deserved centre piece of its environment. Although visually complex, Signature gives a streamlined user experience that focuses on practicality and space. A desk to make an impression and make life easy.

Zen Executive Series

The Less The Better

Introducing Zen series, the new executive designs that harmonize space, form and function. Thoughtful, compact, yet sophisticated designs which offer apt and organised workspace. The relaxed colours combined with natural wood patterns deliver a pleasing experience at work.

Senate (HT-501/ 501A)

Senate is a desk inspired by the philosophies of minimalism and usability. Optimised to fit into and subtly enhance its environment, senate is a desk for the design focused consumer. By making fixtures such as cabinet handles inbuilt into the smooth dark wood cabinets, this desk emerges as an object of sleek, uninterrupted lines that speak of power in the workplace.

Senate (HT-528)

Conclave (T-421)

A gathering of a group or association....This desk is meant for decision makers who are gathered around it for that very decision making. By design it is focused to meet the requirements of a manager who enjoys aesthetics and comfort. Combined with furniture, fixtures and beauty of design, it stands out aptly for that single decision maker who displays power.

Edge

Edge- designed to suit all your office needs. It is made to last, comes with a two year warranty, and is light on your budget. The very design of this product is such that it is extremely portable and easy to install. It is also possible to relocate, rearrange, and reassemble with great ease.

Meeting Table

Integrate

Unfussy and approachable, Integrate pairs down the classic office desk to its essentials. Providing everything the modern worker needs but with none of the complications, Integrate boasts a classic aesthetic with a modern twist. Angular legs and fixtures meet with beautiful pine surfaces in a piece of design that is both approachable and attractive. Integrate is made to fit in with modern open plan offices and compliment the light and airy spaces that most employees prefer to work in.

In the modern office, the tools of the past have been almost entirely converted into digital process. Integrate recognises this and is designed for the requirements of users working almost entirely through digital mediums. A timeless piece of design, built for now.
